In Bloom

SUMMER CHIC

Set the scene for sophisticated summer fêtes with an elegant floral arrangement featuring tones of blissful, breezy white.

A contrast of arresting textures lends élan to this cream and barely blush display. Using a French clay pot as her base, Christina Springfield of Nouveau Flowers in Grayton Beach, Florida, added king protea, cymbidium orchid sprays, demure parrot tulips, and succulent *Oscularia*. For information, contact Nouveau Flowers at 850-231-9994, or visit eventsbynouveauflowers.com.
